

SIXTEENTH ANNUAL

Rustbelt RNA Meeting

October 17-18, 2014

Pittsburgh City Center Marriott
Pittsburgh, PA

Register at rustbeltrna.org
beginning August 2014!

For more information, please
visit rustbeltrna.org or contact
the conference chairs:

Philip Bevilacqua
Pennsylvania State University
pcb5@psu.edu

Kausik Chakrabarti
Carnegie Mellon University
kausik@andrew.cmu.edu

The RNA conference includes a full schedule of talks and poster
presentations by undergraduate, graduate and postdoctoral
RNA researchers.

Conference topics include pre-mRNA splicing, gene regulation,
translational control, RNA structure-function, RNA interactions
and non-coding RNAs.

KEYNOTE SPEAKER & DISTINGUISHED GUEST

Dr. Manuel Ares Jr.

HHMI Professor
University of California Santa Cruz
