

NINETEENTH ANNUAL
Rustbelt RNA Meeting

OCTOBER 13th -14th 2017

Sheraton City Centre Hotel
Indianapolis, IN

I N D I A N A P O L I S

Keynote speaker & Distinguished Guest
Professor Christopher B. Burge

Department of Biology and Biological Engineering
Massachusetts Institute of Technology (MIT).

Overton Prize for Computational Biology
Schering-Plough Research Institute Award.

NSF-sponsored Computational Workshops followed by
Career Mentoring Lunch

Workshop 1

"Practical Guide to Using RNAstructure for RNA Secondary Structure Modeling" by **Dr. David Mathews**, University of Rochester.

Workshop 2

"Practical Guide to Computational Workflows for Analyzing and Annotating CLIP-sequencing datasets" by **Dr. Sarath Janga**, Indiana University Purdue University Indianapolis (IUPUI).

Conference chairs:

Sarath Chandra Janga,
Indiana University - Purdue University
scjanga@iupui.edu

Timea Gerczei,
Ball State University
tgerczei@bsu.edu
